WORK EXPERIENCE

Sunrich Confectioneries (PVT) LTD IT Assistant

January 2023 - April 2024

I provide moderately complex IT support, including monitoring and operating hardware and software to meet department goals. I also ensure the confidentiality of all organizational and departmental data.

Orfium Sri Lanka

Catalogue Matching Associate

April 2024 - January 2025

I specialize in aligning sound recording catalogues with composition catalogues, ensuring accurate attribution of lyrics and melodies. By meticulously cross-referencing these creative components, I honor the work of original creators and maintain precise rights management.

Team Lead - Catalogue Matching & Annotation

January 2025 - Present

Lead the team in ensuring sound recording-to-composition (R2C) data accuracy. Drive quality initiatives, mentor staff on research methodologies, and collaborate with Product teams to optimize matching algorithms and workflows for superior rights management and data integrity.

EDUCATION

Academy for Computer Technology (ACTE).

Diploma in Computer Hardware August 2014

Republican International School, Nuwara Eliya.

G. C. E Ordinary Level 2017 - 2018
